

find

- 2 cups plain flour
- 1/2 cup salt
- 2 tbsp any oil
- 2 tbsp cream of tartar
- 1 cup boiling water
- 1 tsp vegetable glycerine
- optional extras:
food colouring/
spices/
biodegradable glitter/
essential oils

make

Stir the dry ingredients together in a bowl then add the oil and mix. Add colouring to the boiling water then mix into the dry ingredients, stirring well. Add glycerine and knead thoroughly for 1-2 mins until it becomes stretchy and super soft! Too sticky = more flour, too dry = more water.

Roll it, squeeze it, chop it, push things into it and flatten it!

Try adding:

- cupcake cases, candles, beads and numbers
- small world toys e.g. dinosaurs in mud play dough,

play

fish in ocean play dough, fairies in pink play dough etc

- kitchen equipment e.g. cutters, rolling pins, garlic press, potato ricer, rounded scissors, muffin tins
- household items e.g. pipe cleaners, buttons, googly eyes, sticks, leaves, flowers, pine cones, duplo etc
