Handwriting and Grammar

Watch Mr Windle's film explaining and have a look at the handwriting sheet. Complete the tasks in your handwriting book. You absolute rascals.

LEARN

Watch Mr Windle's video explaining the English lesson.

Today is your chance to **organise your knowledge** about the marine iguanas of the Galapagos Islands.

You have to **imagine** that you are the only person who knows this information, you are the expert. Your readers know nothing and need you **to explain** the whole subject for them.

Think about everything you know about how the islands were formed, why they are special and unique, how the iguanas arrived there and how and why they adapted over centuries to become the unique species they are today.

YOUR TASK

Watch the video of Mr Windle explaining.

Plan your explanation of the iguanas.

How will you **introduce** the subject?

Explain why the islands are special.

Explain why the iguanas are special.

Explain what happened the Ecuadorian iguanas.

Explain how the species adapted to its new habitat on the Galapagos Islands.

Conclude be recapping how unique and scientifically important these creatures are.
