LEARN

Handwriting – remember to join up. Copy the sentences from the sheet into your handwriting. Try to be neat (you know, just how Mr Windle is).

VOCABULARY

All the vocabulary is in Your Task below.

LEARN

- Watch the clip from of Galapagos Episode 1 which explains the iguanas' journey to the islands.
- How did the iguanas get to the Galapagos?
- Where did they begin their journey?
- What happened to them? Why did they survive?
- What was the result?

YOUR TASK

Describe how the iguanas first arrived at the Galapagos Island, why they survived and what happened as a result.

Now we have sequenced the events, we are going to use **subject specific vocabulary** and **conjunctions** to add detail to the explanation. You will present these to the class.
