### 1. INTRODUCTION

- a. One of the aims of the Freedom of Information Act 2000 ("FOIA") is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.
- b. To do this we must produce a publication scheme, setting out:
  - i. *The classes of information which we publish or intend to publish;*
  - ii. *The manner in which the information will be published; and*
  - iii. *Whether the information is available free of charge or on payment.*
- c. The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form.
- d. Some information which we hold may not be made public, for example personal information (see Data Protection Policy).

March  
2018

- e. This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.
- f. The school's management and governing body aims to respond to requests within 20 working days.
- g. The headteacher has the day to day responsibility for implementing this policy. If there is any doubt about whether information should be released then the headteacher and chair of the governors should be consulted who may need to

seek advice from the Local Authority. If an exemption is to be applied then this and the reasons why should be made clear in the response to the enquirer.

## 2. THE LAW

Wilfully concealing, damaging or destroying information in order to avoid answering a query is a criminal offence – Freedom of Information Act 2000: Section 19.

## 3. CATEGORIES OF INFORMATION PUBLISHED

- a. The publication scheme guides you to information which we publish at any time, split into categories of information known as 'classes'(see Section 6 of this scheme).
- b. The classes of information that we undertake to make available are organised into four broad topic areas:
  - i. *School Prospectus* - information published in the school prospectus.
  - ii. *Governors' Documents* - information published in the Governors' Annual Report and in other governing body documents.
  - iii. *Pupils & Curriculum* - information about policies that relate to pupils and the school curriculum.
  - iv. *School Policies* - information about policies that relate to the school in general.

## 4. HOW TO REQUEST INFORMATION

- a. Any requests for information must be in writing (including fax and e-mail) and has the name and correspondence address of the enquirer and has details of the information required. You can request a copy of the information you want from the contact detailed below, or visit our website at [www.charlesdickens.southwark.sch.uk](http://www.charlesdickens.southwark.sch.uk)
