

Some children are converting 1206 p into pounds.

Who is correct?

Whitney

$$1206 \text{ p} = \text{£}12.6$$

$$1206 \text{ p} = \text{£}12.06$$

Rosie

Teddy

$$1206 \text{ p} = \text{£}120.6$$

What have the others done wrong?
