Here is my example.

Soon after breakfast, we went down by the pebbly beach. As I skipped a stone, I heard a hiss behind a huge pile of rocks. My sister pulled out the big, floppy blow-up Nessie sticking behind the biggest rock. I was so disappointed, but I knew I was not going to give up. When we headed home, Gran discussed her secret plan.

Write a short paragraph to retell these events in role of Finlay.
