

Position and place
lodged in the canopy
behind some bushes
in the dark foliage
beneath the undergrowth
on top of the branch
below the clouds
high up in the trees

+

subject
the plane
a voice
a snake
the cockpit
a movement
a slippery serpent
a scaly reptile
a bush

+

action
burnt uncontrollably
was engulfed in smoke
was surrounded by flames
shouted out
called out
could be heard
slithered
hissed
continued to burn

Write two sentences to describe the plane in the trees.

Example

High up in the trees, *the plane continued to burn.*

Write two sentences to describe the snake on the floor.

Example

Beneath the undergrowth, *a snake slithered and hissed.*

Write two sentences to describe the voices

Example

Behind some bushes, *a hesitant voice called out.*

EXT:

Using the sentences you have created. You are now going to write a paragraph describing what happened from the moment the plane crashed.
