## LEARN

- Listen to the text being read.
- Model answer Q6: **inference and retrieval**

**How do you think Mog feels towards the 'humans'? Use evidence from the text to explain your ideas.**

I think that Mog has respect for the "wonderful humans" who helped to salvage Christmas for the Thomas family. She mentions that the neighbours cleaned the house with brushes and mops and that some brought round food to share. Mog is still a bit baffled as to why humans go to the trouble of using ovens when food can be caught and eaten raw instead.
