

Number bonds to 10

We're Going to the Seaside

We're going to the seaside, we're going on a bus

The numbers are excited and they're making such a fuss.

9 sits with 1,

8 sits with 2,

7 sits with 3 they're as happy as can be.

6 sits with 4,

5 sits with 5, they're the twins in the back and the last to arrive.

We're going to the seaside, we're going on a bus

The numbers are excited and they're making such a fuss.

1 sits with 9,

2 sits with 8,

3 sits with 7 'cos they're such great mates.

4 sits with 6,

10 sits alone, 'cos he's the driver of the bus so off we go!
