## Shape Poems

A shape poem is a type of poetry that describes an object and is shaped the same as the object the poem is describing.

Read and copy this shape poem.

Drip,  
Drip, drop,  
Trickling down  
The window slowly.  
Pitter, patter, faster and  
Faster, until it's pouring.  
Suddenly, a loud crack of  
Thunder! Now the rain  
Is like a noisy  
Waterfall.
