

Recycle, Recycle

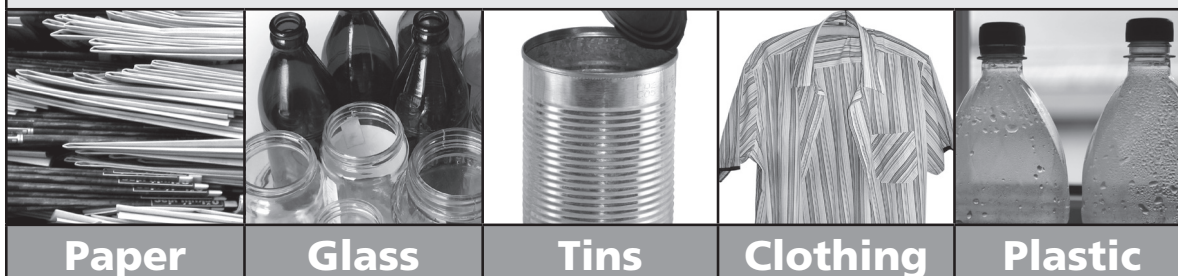

Working hard to make Whitby a cleaner, greener place to live!

Can you help us achieve our target of recycling 35% of our town's waste?

We are sure you can. Last month we managed to recycle 27% so we haven't got much further to go.

We will collect your Black Box from outside your home every week.

Please use plastic bags in order to separate different types of rubbish.

Paper

Glass

Tins

Clothing

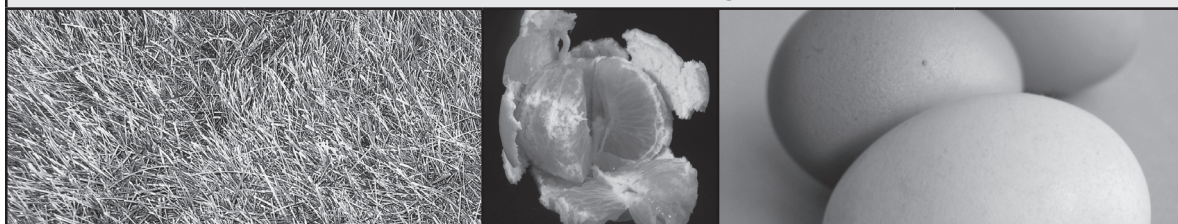

Plastic

Please note that batteries should be left beside the Black Box in a carefully sealed bag.

Green Waste Services – Weekly collections on Saturday.
Unless you are disabled please leave your green wheelie bin at the end of your path or driveway.

All green waste should be placed within your green wheelie bin and **NOT** in plastic bags.

Weeds and Grass Cuttings

Vegetables and Fruit Peel

Egg Shells

To order a Black Box telephone our main office on 01947 820227.
