LEARN

Today is about classifying materials. Now we are very confident with our descriptive vocabulary, we want to be able to use it fluently when sorting through these materials.

YOUR TASK

Write down what you found:

1. Soft _____
2. Hard _____
3. Shiny _____
4. Smooth _____
5. Stretchy _____
6. Absorbent _____
7. Waterproof _____
8. Opaque _____

Challenge: shiny and smooth _____
_____ and _____
