

SPAIN

Spain is in South-West Europe. Its main cities include Barcelona, Seville and of course the capital city Madrid. Spain has the seventh largest population in Europe, with 47.7 million people. Most of Spain has hot, dry summers and cool, wet winters. This climate makes it ideal for growing oranges, grapes (for wine), olives, wheat and tomatoes. Spain's long Mediterranean coastline make it an ideal tourist destination, Its Atlantic coastline provided a base for explorers throughout history.
