

igh

A Add four more words with the same endings to each of these lists.

ight	tion	ious	ial	ough
light	subtraction	previous	special	through
might	devotion	serious	official	cough
fright	attention	various	aerial	dough

B Write a sentence to answer each question.

1 Which letter most frequently comes before the **ial** ending?

2 What is unusual about the sound made by the **ough** ending in different words?

3 **cian** endings sound similar to **tion** endings. Give two examples.
