

Lesson 4: What happens at Diwali?

Diwali is an important festival for three religions that trace their roots to India: Sikhism, Hinduism and Jainism.

It is a celebration of **light** and commemorates the return of Rama and Sita from 14 years of exile (being forced to live away from home).

Whilst watching the video use the speech bubbles below to take down what people say about the festival of Diwali.

Three large, empty speech bubble outlines are provided for students to take notes. The first bubble is on the left, the second is on the right, and the third is on the left, overlapping the first.

Write down the three most important facts about Diwali that you have learned
