

## Lesson 4: What is Pentecostalism all about?

**Pentecostalism** is a Christian religious movement that started in the early 1900s. Its followers seek to have the same experiences that the original followers of Jesus had on a day called **Pentecost**.

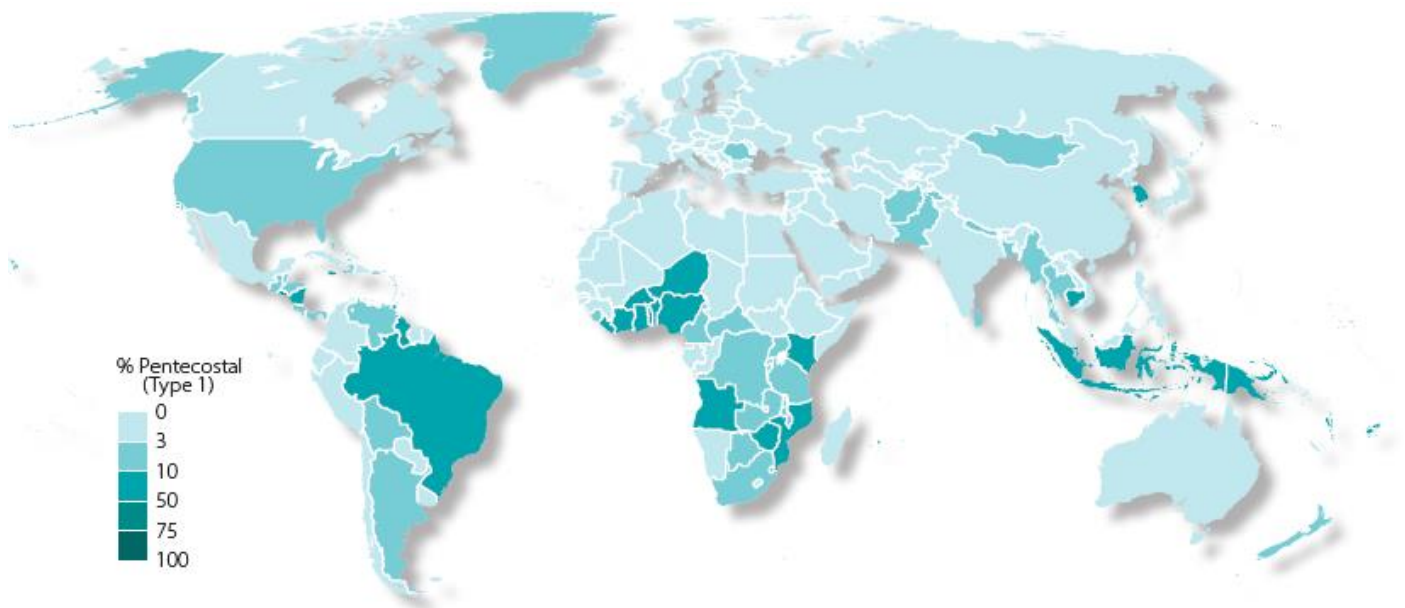

Pentecost was a Jewish festival that the followers, or disciples, were celebrating when they first received the Holy Spirit. The Holy Spirit allowed the disciples to speak in many different languages. It also inspired them to spread the new Christian religion throughout the world.
