Tables and Pictograms

1

A cinema is showing two films, 'Melted' and 'Wilbur Flies Again'. The table below shows how many adult, child and senior citizen tickets they sell for each film.

	'Melted'	'Wilbur Flies Again'
Adult	14	25
Child	28	22
Senior Citizen	11	20

Which film did they sell more tickets for? Circle the correct option.

Melted

Wilbur Flies Again

1 mark

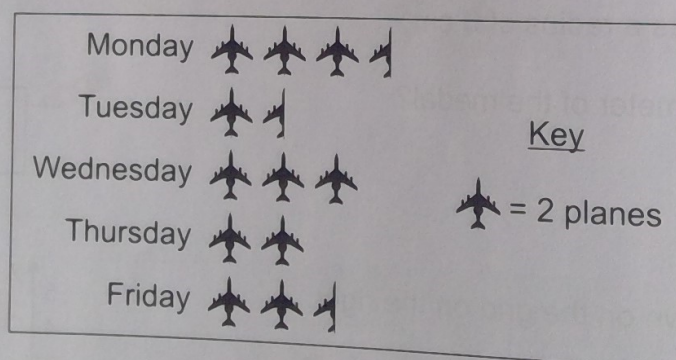

How many more 'Adult' tickets did they sell than 'Senior Citizen' tickets in total?

1 mark

2

Arnie makes a pictogram of the number of planes that flew over his school each day one week.

How many planes flew over his school on Friday?

1 mark

How many more planes flew over his school on Monday than on Tuesday?

1 mark
