

I can plan my diary entry

BREAKOUT ROOM: you have four minutes to decide which emotions Porfiry is feeling during each mini event.

You need at least one emotion per event. Go!

- 
1. Porfiry hears about Raskolnikov and wants to meet him
 2. Travels to meet Raskolnikov in a private apartment
 3. Raskolnikov talks about how some people are allowed to break the law
 4. Raskolnikov says they look just like normal people
