Thomas and Chloe had gone to help their dad for a couple of hours.

Their dad was a plumber.

He had to wriggle into small spaces and wrestle with heavy pipes.

Thomas and Chloe especially liked to watch him get covered in water if a pipe burst.

One day he knelt on the floor and cut his knee. This made him drop his hammer on his thumb and he leapt up and knocked his head on a beam.

Luckily, he was all right. They all laughed and the two children still remember the event!
