ey endings

Remember, when we add s to most words that end with y, we change the y to i and add es. Like this:

one lolly three lollies

But if the word ends in a vowel (a e i o u) + y, we simply add s. Like this:

one monkey three monkeys

Read these words.

valley	chimney	balcony	butterfly	country	deputy	play	
destroy	bakery	guy	defy	jockey	toy	turkey	lady
volley	battery	donkey	injury	activity	journey	difficulty	

Add the words from the box to each column. Circle the letter before the y. Remember the rules when adding s. Two are done to help you.
