

(a)  is

- 5

units from the North wall.
- 1

units from the East wall.
- 5

units from the South wall.
- 9

units from the West wall.

(b)  is

- 1

units from the North wall.
- 4

units from the East wall.
- 9

units from the South wall.
- 6

units from the West wall.

(c)  is

- 7

units from the North wall.
- 3

units from the East wall.
- 3

units from the South wall.
- 7

units from the West wall.

(d)  is

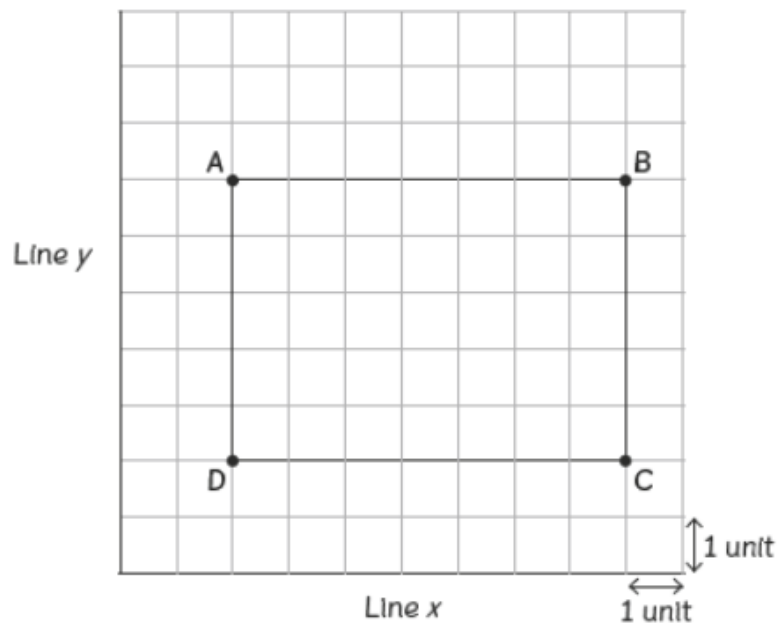

**6** units from the North wall.

**8** units from the East wall.

**4** units from the South wall.

**2** units from the West wall.

**2** Describe the positions of the vertices of Rectangle ABCD.

(a) Point A:

units from Line  $y$

units from Line  $x$

(b) Point B:

units from Line  $y$

units from Line  $x$

(c) Point C:

units from Line  $y$

units from Line  $x$

(d) Point D:

units from Line  $y$

units from Line  $x$
