

YOUR OWN VERSION OF 'OCEAN STAR EXPRESS'!

During our summer holiday Our first trip stop was the weather was very wet to the USA. When Mr Robertson suggested passing through the sky we saw lots of people it was busy. The rocket ship was like a beach in the big and tall.

USA

summer. The buildings where as tall as the sky.

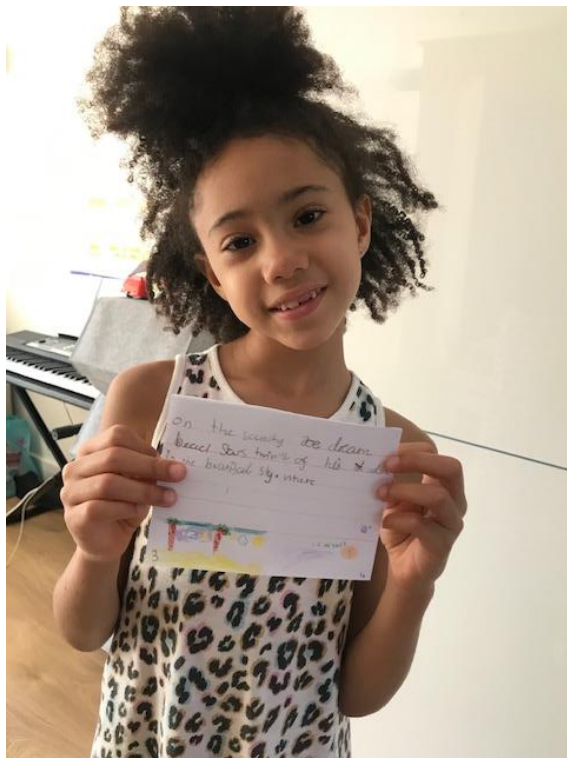

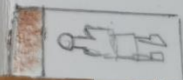

The stars over china twinkled so bright. we decided to explore China before heading home. We enjoyed a yummy meal.

China

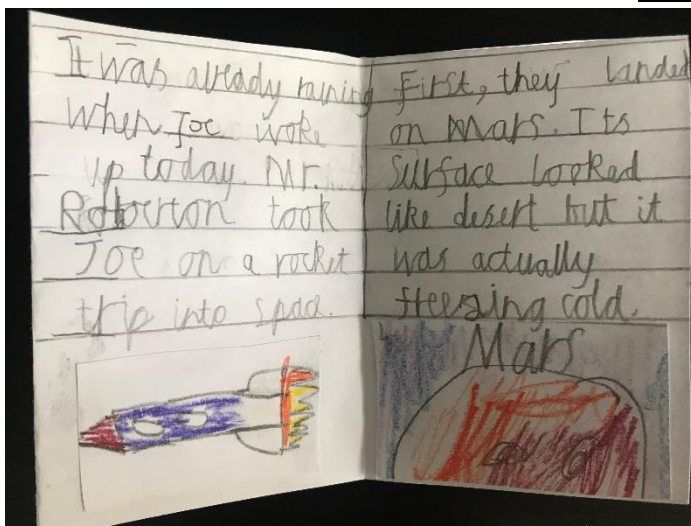

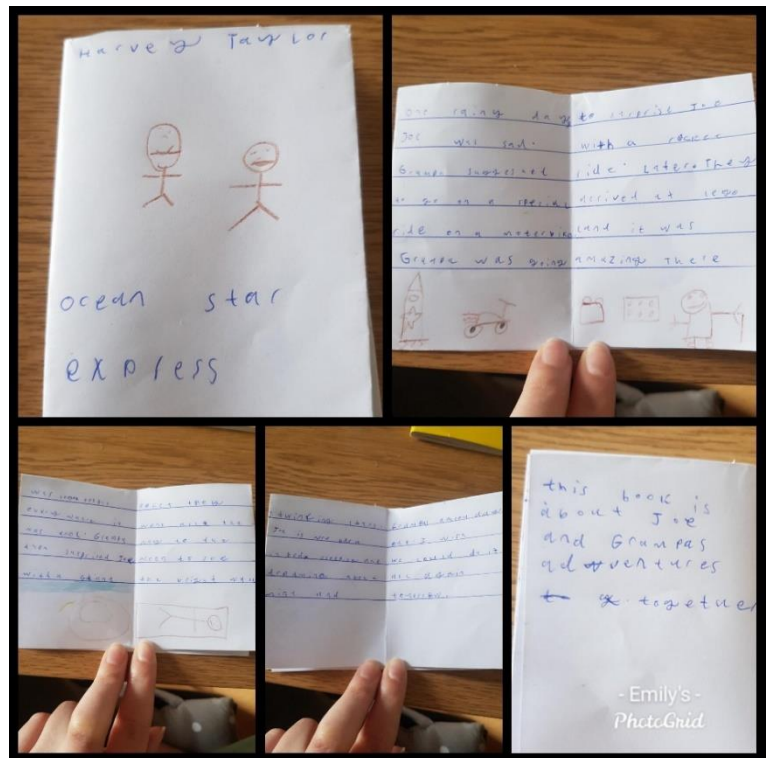

Mr Robertson helped me all forget about the real I did not feel Glum anymore. I can't wait to tell mum and Dad all about it.

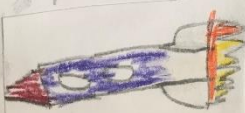

Rocket Adventure

on the sunny it clean beach. Stars twinkling of his. The beautiful sky where.

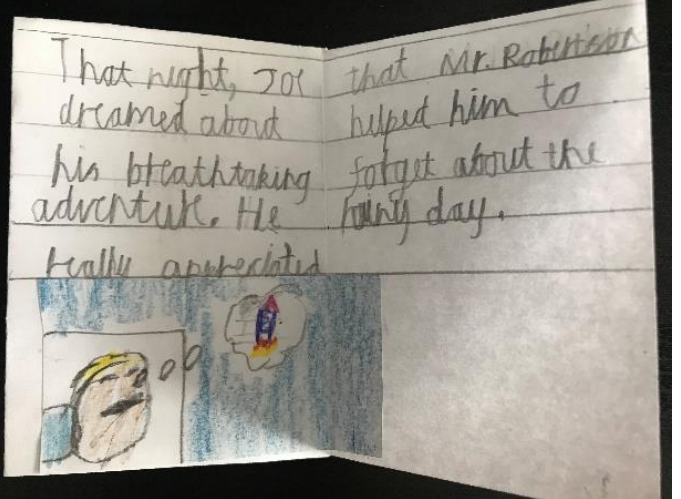

It was already raining when Joe woke up today. Mr. Robertson took Joe on a rocket trip into space.

First, they landed on Mars. Its surface looked like desert but it was actually freezing cold.

Mars

That night, Joe dreamed about his breathtaking adventure. He really appreciated

that Mr. Robertson helped him to forget about the rainy day.
