

igh

A Add four more words with the same endings to each of these lists.

ight	tion	ious	ial	ough
light	subtraction	previous	special	through
might	devotion	serious	official	cough
fright	attention	various	aerial	dough
flight	location	delicious	residential	though
bright	pollution	luxurious	influential	borough
knight	nation	curious	substantial	plough
high	attraction	ambitious	superficial	rough

B Write a sentence to answer each question.

1 Which letter most frequently comes before the **ial** ending?

The letter 'T' most frequently comes before the 'ial' ending.

2 What is unusual about the sound made by the **ough** ending in different words?

The 'ough' letters sound differently. The y have an 'uff', 'ow' and 'u' sound.

3 **cian** endings sound similar to **tion** endings. Give two examples.

Two examples are musician, optician, magician.
