

Worksheet 9

Moving Shapes

- 1 Move the shapes below, 5 steps to the right and 3 steps down. Draw the shapes at their new positions.

- 2 Describe how the shaded square moves to square A, B and C.

square A

5 squares to the left and 4 squares down.

square B

2 squares to the right and 5 squares down.

square C

5 squares to the right and 1 square up.
