

Quel temps *fait*-il aujourd'hui?

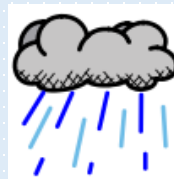

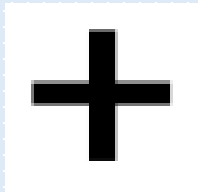

Quel temps *fait*-il aujourd'hui?

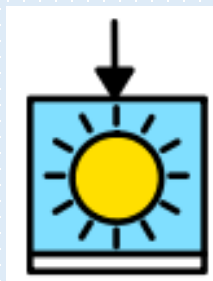

*E*st-ce qu'il *fait* beau aujourd'hui?

Non il **pleut** aujourd'hui, il y **a** un orage

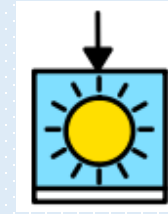

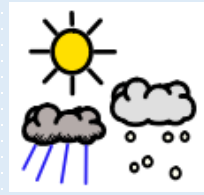

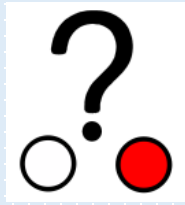

et beaucoup de pluie.

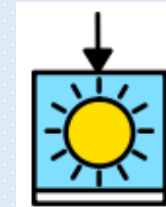

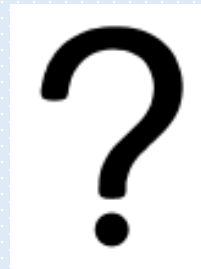

Il *ne fait pas* beau aujourd'hui,

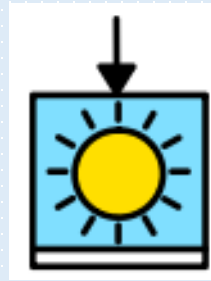

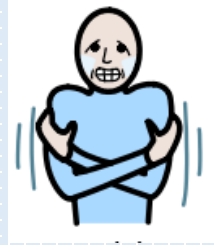

sauf pour les canards!

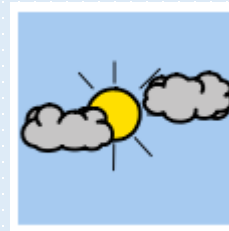

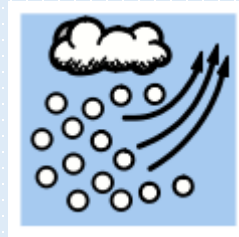

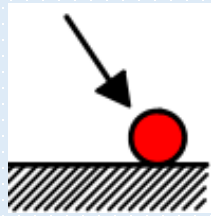

Quel temps *fait*-il aujourd'hui?

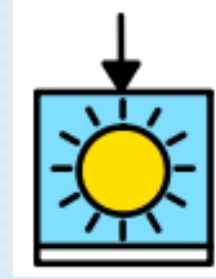

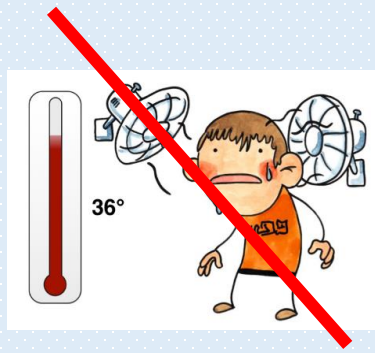

Est-ce qu'il *fait* chaud aujourd'hui?

Non il *fait* froid aujourd'hui.

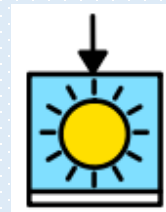

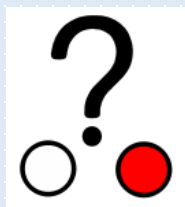

Il y *a* de la neige, le ciel *est* gris.

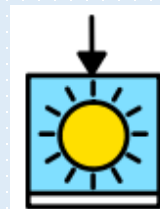

il ne fait pas chaud aujourd'hui,

sauf pour les pingouins!

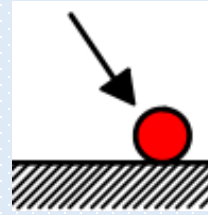

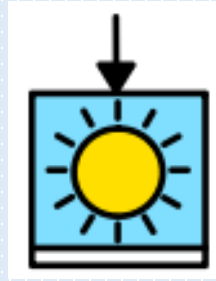

Quel temps *fait*-il aujourd'hui?

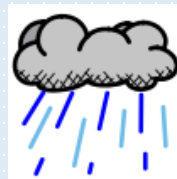

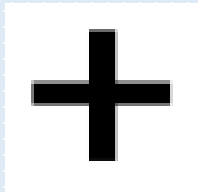

*E*st-ce qu'il *fait* beau aujourd'hui?

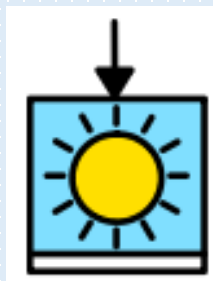

Non il **pleut** aujourd'hui, il y **a** un orage

et beaucoup de pluie.

Il *ne fait pas* beau aujourd'hui,

sauf pour les canards!
