

**Lesson 8: I can explain the importance of chlorophyll.**

*Watch the video which explains the importance of chlorophyll to plants.*

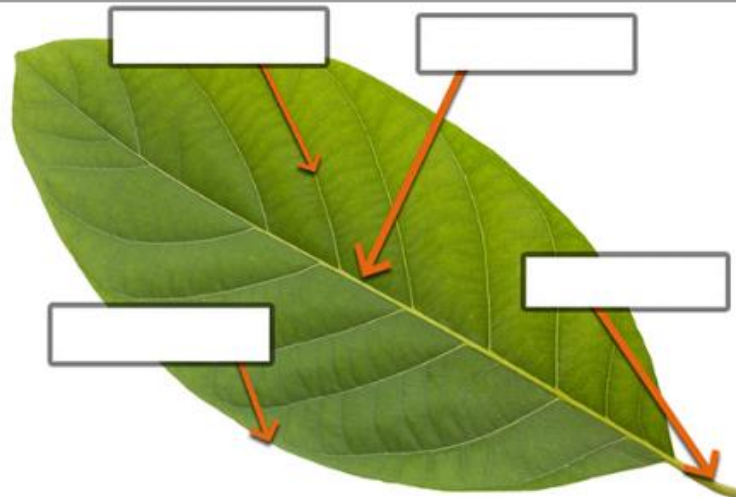

Create a poster explaining why chlorophyll is important to plants.

A large, empty rectangular box with a black border, intended for students to create a poster explaining the importance of chlorophyll to plants.

**Lesson 9: I can label the structure of a leaf.**

Watch the video which explains the different parts of a leaf.

Correctly label the different parts of the leaf.

- |      |        |         |       |
|------|--------|---------|-------|
| Edge | Midrib | Petiole | Veins |
|------|--------|---------|-------|

Can you find a leaf outside, draw and label it.
